**WE CATER -
OUR FOOD DELIVERS**

Hotline:
1300-30-3000

If you've ever eaten in our sandwich bars, you probably know as much as about us as we're ever going to tell you. That's because we don't believe in making extravagant claims and prefer to let our food speak for itself. We concentrate solely on sourcing for the freshest natural ingredients - and then we let it do the talking for us.

You'll enjoy the same fresh natural food as we prepare in our outlets- but delivered to your doorstep when and where you want it!

So choose from our range of combination menus or sandwiches, then call our Catering Hotline. After that, it's time to let the food do the talking again.

This same fresh philosophy is also available to you outside of our outlet. So whether you're planning an office lunch, a seminar or a party- or even something more ambitious- we're ready, willing and able to take care of everything you serve up to your guests.
