CATERING SERVICE

If you've ever eaten in our sandwich bars, you probably know as much about us as we're ever going to tell you. That's because we don't believe in making extravagant claims and prefer to let our food speak for itself. We concentrate solely on sourcing the best possible fresh natural ingredients - and then we let it do the talking for us.

This same fresh food philosophy is also available to you outside of our stores, and we can cater for 5,000 as easily as for five. So whether you're planning an office lunch, a seminar, a party - or maybe something more ambitious - we're ready, willing and able to take care of everything you serve up to your guests.

You'll enjoy the self-same fresh natural food as we prepare in our outlets - but delivered to your door when and where you want. And to keep the freshness locked in, we'll deliver free of charge in our refrigerated vans.*

So find the menu that's right for you in the following pages from O'Briens Catering Service, then locate your nearest O'Briens (on the back page) and phone in your order. After that, it's time to let the food do the talking again.

*Restricted delivery area. All items subject to availability. VAT charged as applicable
